

sculpture NETWORK

About us

sculpture network is a European non-profit-organisation founded in 2004.

sculpture network offers a platform for the exchange of ideas and experiences for all those interested in three-dimensional art and sculpture – from the artist to the recipient.

Between those groups, **sculpture network** supports in its international network the interdisciplinary dialogue and exchange of ideas of individuals and institutions.

Our over 500 members in 26 countries communicate via newsletter, internet and website, as well as through personal encounters.

Programme Work:

- Development and maintenance of our international network
- Expansion of the website www.sculpture-network.org
- Publication of a comprehensive monthly Newsletter in German, English and Spanish
- Organisation of projects, international symposia and regional events
- Development of cooperation among various cultural organisations, museums and institutions specialized in sculpture
- Development of funding and exchange programs
- Support of regular international discourse on the topics of sculpture and cultural policies
- Discussion of the current requirements of the art of sculpture
- Involvement of the media

For further information about our activities and goals please visit www.sculpture-network.org.
