

sculpture NETWORK

sculpture network
is an international
non-profit organisation
for the advancement of
sculpture in Europe.

www.sculpture-network.org

Who we are

- A non-profit organisation, based on private initiative, managed by volunteers
- Founded in 2004
- Over 850 members in 43 countries
(status: November 2010)

Our goals are

- Promotion of the perception and recognition of the uniqueness and social relevance of 3D-art
- Enhancement of the operative and creative environment for sculptors / artists, mediators and friends of the arts
- Development of our international and interdisciplinary network which brings us together

sculpture network is for

- Artists
- Art mediators
(museums, sculpture parks, galleries, curators, architects, art academies, professors, art and cultural organisations, service providers)
- Friends of the Arts
(collectors, friends of the arts)
- Sculpture network members

What we do for the sculpture community

- Develop and maintain an international network
- Online Community www.sculpture-network.org
– our informative and interactive internet platform
