

sculpture

NETWORK

sculpture network – the international organisation for the advancement of sculpture in Europe.

About Us:

- Most significant online platform for sculpture in Europe
- European association covering all concerns of three-dimensional art
- Contact center for sculptors, meeting with art mediators and friends of the arts
- Members in over 34 countries
- Non-profit organisation based on private initiative, supported by volunteers

www.sculpture-network.org

Our Goals:

- Promotion of international recognition of three-dimensional art
- Enhancement of the creative environment for sculptors/artists
- Encounters and dialogue between sculptors and art mediators/friends of the arts
- Development of an international and interdisciplinary network

Our Advantages:

- Encourage discussion and debate
- Organise symposia and events, initiate projects
- Publish sculpture network Newsletter
- Develop cooperation and collaboration with European institutions and organisations
- Manage www.sculpture-network.org – the interactive information platform
- Enhance media coverage on the topic of sculpture
- Demonstrate and support solidarity among all involved

Come Join Us!

Be proactive and benefit from our international network.

We look forward to hearing from you:
